GENERAL AND COMPLETE DISARMAMENT: INTERNATIONAL ARMS TRANSFERS

Afghanistan: revised draft resolution

Measures to curb the transfer and use of illicit arms

The General Assembly,

Recalling its resolution 46/36 H of 6 December 1991 and its decision 47/419 of 9 December 1992 on international arms transfers,

Considering that the availability of massive quantities of conventional weapons is a contributory factor to armed conflicts around the world,

Stressing the need for measures which curb the transfer and use of illicit arms,

Recognizing that the excessive quantity of conventional weapons in a number of developing countries constitutes a source of destabilization of their national, as well as their regional, security,

Convinced that peace and security are imperatives for economic development and reconstruction,

1. Invites Member States to take appropriate enforcement measures aimed at putting an end to illegal export of conventional weapons from their territories;

2. Requests the Secretary-General to seek the views of Governments on effective ways and means for collecting weapons illegally distributed in many developing countries and to submit a report to the General Assembly at its forty-ninth session.
